1. A check was made with OEGPAL to determine whether Identity 2 and Identity 3 of referenced memorandum were treated as refugees in West Berlin. OEGPAL has no record of their existence.

2. In view of the complications of the case and the fact that Berlin case officers are already sufficiently preoccupied in a number of just as worthwhile looking leads, we do not feel it worthwhile to have someone make the trip to establish contact with KIRITZ-137 in order to follow-up further on this.
